# For us, by us: Celebrating Black excellence in music today!

It's Black Music Month, and it's no secret Black people have contributed to both American and world history beyond February (Black History Month) as well as June (when we observe Juneteenth). So we should all celebrate Black excellence year-round. On this episode of [Fiercely Fandom with Deron](#), host Deron Dalton talks with three of his brilliant Fandom colleagues—Social Media Manager Aasha Collins, Associate Marketing Manager Zaahira DeBoise and Entertainment Editor Keydra Manns—about celebrating Black Music Month, Black excellence in music today, and [ranking the most respected albums by Black artists of the last five years](#).

Deron Dalton hosts this fun podcast about pop culture through the lens of fandoms and stan culture. Deron is a fanboy and his expert guests are fan people! Join in on listening to some fun fan talk and let us know exactly where you stan.
